Stroudsburg, April 14, 1853. DR. SWAYZE, DENTIST,

Respectfully informs the citizens of Stroudsburg and vicinity that he can only remain in the place this week and next, and therefore hopes all who wish his services will call as soon as convenient. The better informed know the great

importance of having their teeth attended to in time, and all must know the folly and danger of trusting their Teeth to the uneducated and inexperienced Dentist. He would also state, that, as he visits Stroudsburg once every year, and always being within a half a days ride, none need run the risk of losing their Teeth and money by employing a stranger, who is as often unworthy of confidence as other-wise. Whatever concerns the happiness and health of a people is at all times of the most store. valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solmenly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one signed. kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hard- In the Orphan's Court of Monroe Co Slow Fever, Pulse Irregular-remember that all these denote worms, and you should at once apply the remedy:-

Hobensack's worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, & and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with, out an equal in the catalogue of medicines. which makes it an Infallible remedy for those afflicted with Despepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm! This is the most difficult Worm to des troy of all that infest the human system .---It grows to an almost Indefinite length, becoming so coiled and fastened in the Intes tines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits,&c. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obin doses of 2 Table spoon's full 3 times a day, these directions followed, have never
